Apologies to Lynne, Natalie, Victoria and Ivanka - Although we had a separate watch on them we didn't note their start time in reation to the handicap																				
* Lynne missed out the loop on first lap down Radcliffe and up Park Hill Rise																				
** This group went up Mapledale and not Sandilands and then along Fitzjames - confused by police activity																				
*** Rosemary started at 2 minutes but should have been -3 minutes handicap hence the 5 minute allowance
