Attendees: Mick Turner, Robin Jamieson, Ruth Pearson, Jess Mills, Tony Flowers, John O’Mahony, Krzysztof Klidzia, Darren Woods, Simon Webster

1. Chairman’s Report
 - Croydon Half Marathon.
 - i. The 2018 event concluded with a £2,200 surplus. £800 will go to Sandilands, £200 to tennis club. The remaining money will be donated to a charity. RJ will send out an email to Striders asking for suggestions. The Garwood Foundation has benefited in previous years.
 - ii. The first meeting of the new CHM sub committee met under James Burree’s stewardship. It is looking likely that 10th March 2019 will be the new date for the CHM.
2. Committee 18/19 & Committee Roles
 - MT had circulated a breakdown of the Chair and Club Secretary roles previously. MT asked committee members to consider the Club Secretary role.
3. Sandilands Report – RJ
 - There has been a break in at the clubhouse bar and theft of a large ride-on lawn mower. No impact on Striders.
4. Membership Report – SW
 - 350 members. 292 EA affiliated.
 - RJ to make a cut down version of the membership list available in Google Sheets. To be made available to individuals on request for club admin purposes, media reports.
 - MT & SW to finalise GDPR compliance and Privacy Policy
5. Treasurer’s Report – RP
 - Swimming down currently but the way revenue comes in means we expect this to break even over the year
 - Yoga is consistently losing money each week – essentially a proportion of Sandilands rent portion each week.
6. Kit Report – JOM
 - Hoodies and all items other than 36 vests are in stock. Sales are going well.
 - Need to investigate supplier of long sleeved white tops.
7. Socials – DW
 - Plan a social after the Dino Dash in Crystal Palace on 13th June
 - MT still to set date for Croydon History Walk. Now late July/Aug.
8. Club Runs
 - Diversifying – KK raised a concern that some offshoots to club runs were taking place and they detracted from the usual, advertised club runs. It was not a widely held view.

9. Yoga & Swimming - MT/RP
 - Swimming - see Treasurer's report
 - Yoga – Plan to open second class to Sandilands club members, MT to email to clubs

10. Triathlon & multisports – BS
 - It is unlikely there will be a Striders triathlon this year unless somebody can be found to organise it in Robin's place. RJ to email out to see if any takers.

11. XC Update – KK
 - [KK to ask Nikki Javan if she would like to take over managing the Women's team captain for the Regional and National XC races](#), with Andy Elliott remaining in charge of the Surrey League fixtures.
 - Looking to hold two XC handicaps in August and September. Concerns were raised over the format and attraction for usual Lloyd parkrunners and steadier runners not attracted to XC. [KK to discuss format with and NJ/Peter Mills with a view to them taking this proposal forward.](#) ~~to discuss format.~~
 - KK to contact Kath Selby nearer the start of the XC season to see what we can do to promote Striders male and female XC on social media

12. AOB - Website Update JM/RJ
 - RJ to track down the website's original developer to discuss options for updating. There are current issues around updating or changing what we have on Wordpress

13. AOB – Updating results on club website JM
 - Some results submitted by members are being missed and it was suggested that effort is potentially being duplicated with the update of results and the updating of club competitions.
 - i. RJ to check Wordpress rules to ensure emails are being auto-generated correctly.
 - ii. JM to check with Stephen Lowe if there is duplication of effort.
