Sandilands Update

- Rent confirmed £1120 for this year - 2% increase for all clubs. Due end of the January.
- There is a contingency of £7575 for any over spend on the roof, for which our contribution would be £500. We should budget to pay this from April 08 onwards. Likely to be discussed at Sandilands meeting in April / May.
- Even if there is no significant overspend, the committee may vote to ask for contributions to provide some contingency.
- Cost for roof is expected to be circa £30K

Race for Life May 11th 2008
