### Maintenance of Buildings and Grounds

- Two paving slabs are a trip hazard and the path by the entrance gate is breaking up causing a hazard. It was agreed that they should be repaired and remove bolts sticking out of the ground. Flaunching around the manhole is done and the hall will be painted at half-term, after which the floor will be cleaned.
- There is a leak above the bar and Dave will look to see if he can see where it is coming from.
- The gas switch cover needs to be repair to hide it.
- The outfield needs weeding and feeding and estimates are being obtained by David Earl. It also needs scarifying, which is estimated to cost £600, but one of the new mowers has an attachment for this.

It was agreed that Football could start on 24th September.

### Finance

- The bank balance at the end of July was £11,100. The Trustees are to be paid £1,600.
- Payment for the cleaning is to be increased from £280 to £320 per month.
- It was also agreed to proceed with the work to the trees at the bottom of the ground.

### Any Other Business

- There was a meeting with the residents. One issue was regarding security and they were advised to call the bar or Ray Davies if there is an incident before 10:30pm and the Police if later. They are willing to advertise Clubs in their newsletter and articles should be sent to Jeff.
- The back door continues to be left unlocked and Ray will look into this.

We will ask Nigel to raise the issue about the untidy state of women's changing rooms.
